SUMMARY

Skilled Web Developer with 1.5 years of experience in creating responsive websites and applications. Proficient in HTML, CSS, JavaScript, and frameworks like React.js, Bootstrap. Excellent at team collaboration and committed to delivering high-quality, user-friendly digital solutions.

WORK EXPERIENCE

Front-End Developer React.js   **Jan 2023 - Present**

Digital Bolt - FaisalabadOctober 2023 to January 2024
Join Digital Bolt as a frontend developer and contribute to innovative digital solutions for leading clients. Work collaboratively to translate UI/UX designs into responsive web applications using HTML, CSS, and JavaScript frameworks. Leverage your creativity and technical expertise in a dynamic environment, and gain valuable experience in a 4-month contract role.

Web Trainer   **Feb 2020 - Jan 2021**

As an Online Web Development Trainer from Feb 2020. I facilitated comprehensive training sessions on web development, equipping participants with the latest tools and techniques to excel in the digital realm. Through engaging instruction and hands-on projects, I empowered learners to master HTML, CSS, JavaScript, and other essential technologies, fostering a passion for web development and preparing them for success in the industry.

BAT Agency   **June 2024-Present**

As a Frontend Developer at BAT Agency, I specialize in crafting visually appealing and user-friendly web interfaces. Utilizing modern web technologies such as HTML, CSS, JavaScript, and frameworks like React and Bootstrap5, I collaborate with cross-functional teams to deliver high-quality digital solutions that enhance user experience and meet client objectives.
